9-1-1 IS FOR YOU!

The proposed 9-1-1 System has the ability to show **confidential** "Special Information" on the dispatcher's screen, when you make an emergency call. With your help, this information can be pre-programmed into the computer database. If you have a "special need" or a potentially dangerous situation at your residence or business location, please complete the attached form and mail to:

**Hocking County 9-1-1
52 E. Second Street
Logan, Ohio 43138**

***Please complete only if you have a "special need" or condition.*
